Welcome to RisingOaks' Youth Development Program (YDP)

YDP is extended care for students in grades 3–6. YDP before and after school programs are designed to engage children in learning, create adventures and nurture personal relationships. Students will explore in the six primary areas of learning: creativity/innovation, language, health & physical activity, numeracy, personal & social development, and science. There will also be opportunity for project work based on the children's interest.

Families may choose before school, after school or both and may enroll their child full-time, part-time, or on a flexible schedule, though a set recurring schedule is recommended.

3. To foster engagement and the development of positive, responsive relationships between children, families and educators.
4. To actively engage with community partners to enhance RisingOaks' program.
5. To give children a voice for self-expression, exchange of ideas and positive communication among their peers and educators.
6. To support the development of children's self-awareness, self-confidence, self-regulation and self-esteem.
7. To foster children's exploration, play and inquiry through a variety of child-initiated, educator-supported activities; including a mix of indoor, outdoor, active and quiet activities.

Health & Safety

RisingOaks has a purpose and obligation to ensure the safety and well-being of the children in its care. We have policies and procedures to ensure your child's health and safety in order to create a positive learning environment. These include:

- Secured entrance
- Serious Occurrences
- Staff to child ratios set out in the Child Care and Early Years Act (CCEYA)
- Staff Records Checks
- Positive Guidance Techniques
- Prohibited Practices

It is recommended that you keep your child home when they are showing signs of illness. There will be no reduction in fees due to illness. If a child has been suspended from school, they may not attend the Youth Development Program until the suspension is complete. There will be no reduction in fees due to suspension.

Accessibility

RisingOaks is committed to ensuring that its services are provided in an accessible manner. Our educators work closely with special needs resource partners to ensure that the needs of all children are met.

Administration of Medication

RisingOaks' educators are able to administer both prescription and non-prescription medication. It is preferable however that children receive all medication at home, if at all possible. If your child requires medication by injection (e.g., insulin), please speak to the centre supervisor as additional terms, conditions and training on your child's Individual Care Plan is required. Medication must be submitted directly to an educator for safe keeping and cannot be stored in your child's backpack.

Children's Arrival/Departure

Staff must mark all children in and out of care on our attendance rosters, so be sure to say hello when you arrive. Please note that a child will only be released to individuals on your Authorized Pick-up List. You may update this list at any time. Individuals picking up for the first time - or unknown to the educator - will be asked for photo ID.

Emergency Management

In adverse weather conditions, parents are advised to listen to local radio stations and monitor RisingOaks' website or Facebook page for notices of an unexpected centre closure. RisingOaks' educators are trained in emergency preparedness and response in relation to fire, tornado and lock down procedures. Should an emergency situation arise that requires the children and staff to vacate the building for a longer period of time, it may be necessary for the group to move to the designated emergency shelter. RisingOaks will make every effort to provide timely communication with parents via phone and/or email.

Injury & Incident Reporting

When minor incidents (e.g., scrapes, bumps, behavioural concerns) do occur, the educators will reassure the child, provide first aid if needed and complete an Incident Report or a Notice of Inappropriate Behaviour (NIB) form. These reports explain the incident in detail. You will be asked to review it upon pick up and to sign the Report acknowledging its receipt. A copy will be provided or emailed to you.

If medical attention is required, the educators will consult with you and/or call for emergency services as needed.

Late Pick-up Policy

Families with children picked up after the 6:00 pm closing time are tracked and can expect the following:

- **First Late:** A call or email from the supervisor reminding them of the service hours.
- **Second Late:** A formal warning letter from the supervisor.
- **Third Late:** A third late may result in termination of care.

***Should a child be left in care more than an hour after the program closes, with no communication from the parent or the emergency contacts listed, Family and Children Services will be notified by the educator.**

Off-Site Excursions

As part of the youth development program, educators occasionally include activities off premise. Parents/guardians are required to sign permission forms after reviewing the information sheet that contains details regarding the transportation, activities, risks and safety management strategies. To learn more about **Safety First!** – a risk management guide for off-site activities, visit www.RisingOaks.ca/safety-first.

Nutrition

Morning and afternoon snacks are provided daily and are selected in accordance with Canada's Food Guide. Please inform us of your child's specific food allergies. If your child is attending a full day for PA days or camp, please provide lunch as per RisingOaks' Bagged Lunch Policy. Any food sent from home must be nut free and not have a "may contain nuts" warning. RisingOaks reserves the right to limit other foods from home due to severe anaphylactic risks of children enrolled. A menu of the snacks served and our Bagged Lunch Policy can be found on our website:
